

DON'T DELAY CONNECT TODAY

'Don't Delay, Connect Today' is a EULAR (European League Against Rheumatism) initiative, supported by all EULAR member networks – scientific, health professionals and PARE patient organisations – with the goal of highlighting the importance of early diagnosis and treatment.

There are over **200 different rheumatic and musculoskeletal diseases (RMDs)**, which affect people of all ages.

Early diagnosis and **timely access to evidence-based treatment** are key to preventing further damage from RMDs on individuals and society.

If RMD is suspected, referral to a specialist doctor must take place.

A number of specialists may be involved in RMD treatment:

General Practitioners, Rheumatologists and Medical Doctors from other specialties, Physiotherapists, Occupational Therapists, Nurses, Pain Specialists, Psychologists, Podiatrists, Social Workers.

Don't Delay, Connect Today with EULAR (www.EULAR.org) to find out more about RMDs and connect with local:

- PARE patient organisations
- Medical/scientific societies
- Health professional associations
- ...To help promote early diagnosis and referral

Patients have the right to be treated without delay, in accordance with the latest scientific advancements in RMDs.
